of the
San Bernardino Mountains*

One of many ducks living in Lake Arrowhead

Local eagle

Lake Gregory in winter

View of Lake Gregory with snow capped mountains in the distance.

Red Tail Hawk

Local coyote at rest

This Barn Owl was found as a baby in the air conditioning duct on a new construction site.. He was "Human Imprinted" and thus cannot be safely released to the wild..

Red Tail Hawk in captivity

Panoramic view of Lake Arrowhead

Lake Gregory in winter
